

Owning your own McLaren is easier than ever

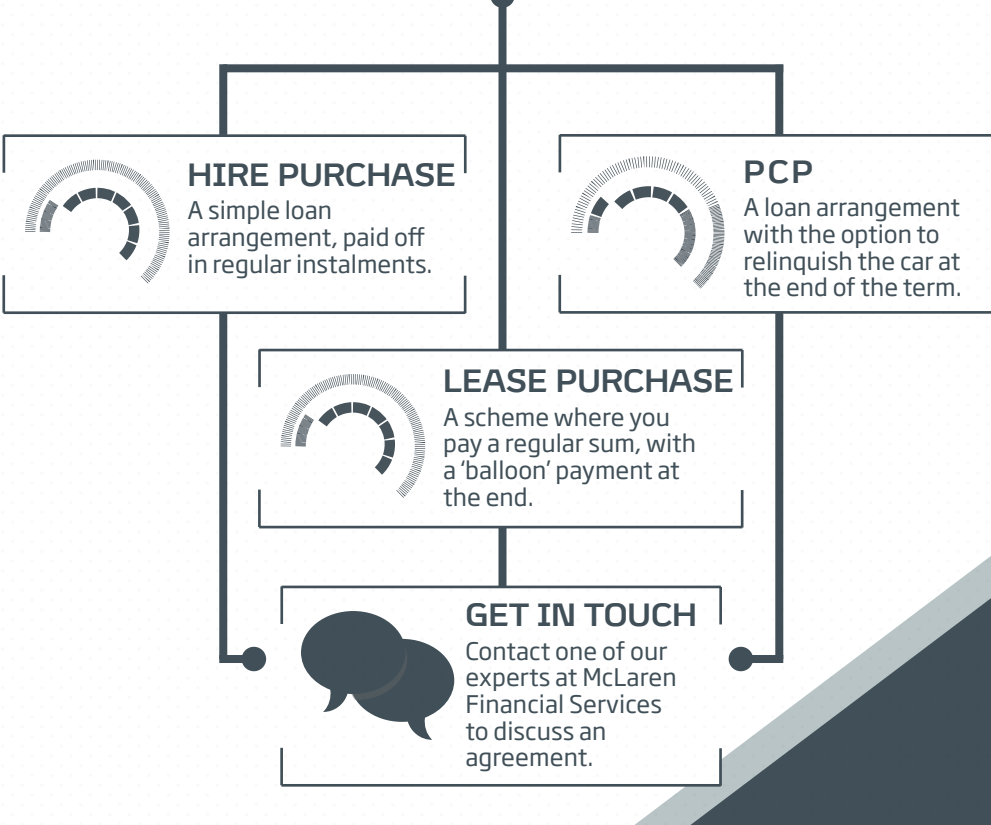

## HOW IT WORKS

McLaren Financial Services is the exclusive UK finance provider for McLaren Automotive. We provide flexible, personalised products, including PCP, hire purchase & lease purchase agreements. Competitive finance options are available on all new models and the full selection of McLaren Qualified pre-owned models available across the network are eligible.

### Choose Your McLaren

### Choose Purchase Option

## HIRE PURCHASE

### WHAT WE OFFER

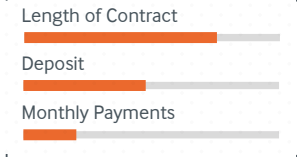

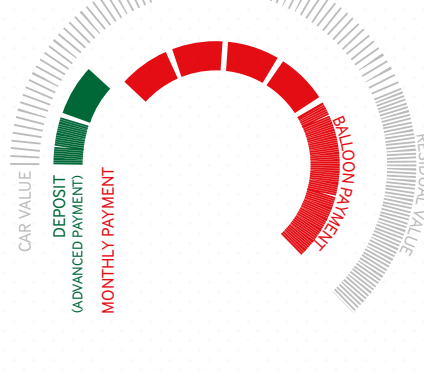

This is simply a hire agreement which lets you own the vehicle at the end of the agreement. McLaren financial services remains the legal owner until the amount you borrow is fully repaid.

## LEASE PURCHASE

### WHAT WE OFFER

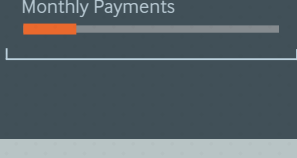

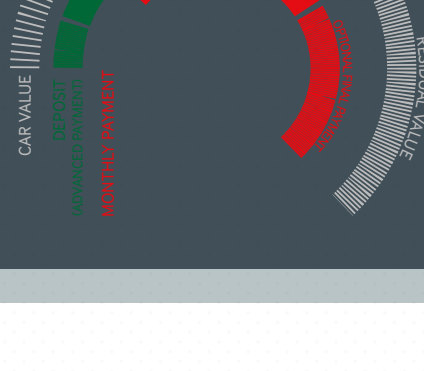

You make monthly payments for the length of the agreement and a Balloon payment at the end. The more the car holds its value, the more affordable the lease purchase agreement becomes.

## PERSONAL CONTRACT PURCHASE (PCP)

### WHAT WE OFFER

This is a loan arrangement where you have the option to relinquish the car at the end of the term, or pay off the balance with the optional final payment. PCP includes some restrictions on annual mileage.

## WHAT YOU NEED TO KNOW

### DEPOSIT

Deposit is usually 10-20% of the cost of the vehicle, however thanks to our bespoke and personal assessment this can be set up to be anywhere from zero to a much higher amount.

### PAYMENTS

We can offer very competitive monthly payments. They can be set up as fixed or variable.

### INTEREST RATE

This is decided at the start of the arrangement, if fixed; it can also vary based on a pre-agreed formula.

### CREDIT ASSESSMENT

Our judgement of your ability to afford the payments is based on our own very personal, tailored criteria. Our decisions are made by humans, not computers.

### RESIDUAL VALUE

What we assess your vehicle will be worth at the end of the agreement, based on our expert knowledge of the high-end car market.

### SETTLING AGREEMENT

If you want to settle the agreement - either partially or in full - before the end of the agreement you are entitled to make early repayments.
